

Remarks

The specification has been amended to include reference to the International Application on which the present application is based. In addition, the original claims have been replaced by a new set of claims that do not include any multiple dependent claims. In the event there still remains a claim that depends from more than one claim, the Office is hereby authorized to amend such claim to depend from the first mentioned of the multiple claims from which it depends.

Respectfully submitted,

Don W. Bulson, Reg. No. 28,192
